NOTE FOR: All NIOs and PP

The Director wants to hold our meeting at 1700 this afternoon (assuming he is back from the AEC by then). At that meeting, he wants to discuss the compilation of a problem issue checklist for inclusion in the NID and/or separate submission to the President. The work here has already been done in the problem issue package to which all of you contributed in such an outstanding and much appreciated fashion last Friday. Thus, nothing additional need be prepared for this afternoon's meeting but the DCI will want to engage us in discussion both collectively and individually.
